Signed.....Dated.....

REFEREES: If you are applying for Practising Ecological Consultant, your application must be supported by two **Practising Members** of the Ecological Consultants Association of NSW Inc. Only one of these referees may be from your place of employment (see below for alternatives if this is not possible).

To be eligible as a referee the referee must satisfy the criteria in the following Referee Checklist:

- The referee must know the applicant
- The referee must know the applicants work
- The referee must know that the applicant works ethically
- The referee must support the applicant becoming a Practising Member of the ECA

Referee 1

I.....am familiar with the ecological work conducted byand I am satisfied that it is carried out at a level considered acceptable by the ECA.	
Signature	Date

Referee 2

I.....am familiar with the ecological work conducted byand I am satisfied that it is carried out at a level considered acceptable by the ECA	
Signature	Date

If you have difficulty finding two Practising Members to support your application, please consult the web site for a list of members in your region or contact the Administrative Assistant (details below) for assistance.

Alternatively, submit with your application your CV and at least two recent examples of work for review by the ECA council. In regard to this, as part of the membership application process, the onus is on the applicant to address any obligations in regard to copyright etc with the original client for whom the report was prepared.

Email your application form and your CV to admin@ecansw.org.au.

Once membership is approved an invoice for fees will be emailed to you.
